Wine Making

Fermented slowly in stainless steel tank with daily pumpovers. After fermentation then laid down to once used 100% American Oak barrels. On completion of malolactic fermentation, we racked the wine off its lees and let it age for 20 months in barrel. Bottled unfinned and unfiltered.

Tasting Notes

Aromatics of mint, cherry and eucalyptus. On the palate loads of red cherry and raspberry with notes of cinnamon and spice.

About Glunz Family Winery...The Glunz family story started in 1871 when Louis Glunz, age 17, left his country of Germany in pursuit of the American dream. Louis arrived in America that year with friends Oscar Meyer and Theo Koshswersmill. The three moved from city to city in search of work until they arrived in the boomtown of Chicago in 1872. The American Dream was realized in 1888, with a business loan from Charles Wacker, when Louis Glunz was able to set up a shop as a wine, beer and spirit merchant on Wells Street and Division Street.

In 1992, the 3rd and 4th generation of the Glunz family opened their winery specializing in small batched fortified wines. Today, the winery is located on 40 acres in the rolling hills of Paso Robles, California producing award winning Cabernet Sauvignon, Zinfandel and Rhone Blends.
