

# VIN GLÖGG

*A Winter Wine*

Glunz Family Winery & Cellars  
Paso Robles, CA

The Glunz Family has been making this fun winter warm-up wine in America for over 100 years with our fourth generation recipe.

Our Glögg recipe is fairly traditional. We start with a high quality California port and red wine. To this we have blended oils of citrus fruits, nuts, clove, cardamom, nutmeg, cinnamon and a couple of secret ingredients.

Serve gently heated.  
Add a cinnamon stick, cloves or  
a twist of lemon or orange rind.
